General Consent To Treatment

This consent provides us with your permission to perform reasonable and necessary medical examinations, testing and treatment. By signing below, you are indicating that:

1. You consent to treatment at this office (or any other satellite office under common ownership).
2. You intend this consent to remain effective after a specific diagnosis has been made and treatment recommended.

You have the right at any time to discontinue services. You have the right to discuss the treatment plan with your physician, including the purpose, potential risks, and benefits of any test, treatment, or recommended course of action. If you have any concerns regarding any test or treatment recommend by your health care provider, we encourage you to ask questions.

Patient statement of consent:

"I voluntarily request the health care provider(s) at this clinic to perform reasonable and necessary medical examination, testing, and treatment for the condition which has brought me to seek care at this practice. I understand that if additional testing, invasive, or interventional procedures are recommended, I will be asked to read and sign additional consent forms prior to the test(s) or procedure(s). I certify that I have read and understand the above statements and consent fully and voluntarily to them.
